

CIVIL AVIATION AUTHORITY OF NEPAL
APPLICATION FOR ISSUE/VALIDATION OF
TYPE CERTIFICATE OF AIRCRAFT

PART I - TO BE COMPLETED BY THE APPLICANT

1) Name and Address of the Applicant

.....
.....

2) Application is hereby made for Nepalese approval of the design of the aeronautical product prescribed below:

.....
.....

3) Is the applicant responsible for control of product manufacturing in accordance with the approved design?

Yes No

If no, please provide details, including the name and address of the responsible party

.....
.....

4) Does the applicant hold any Supplemental Type Certificates for which concurrent approval is being sought?

Yes No

If yes, please indicate the nature of the approval

.....

5) Is the applicant requesting concurrent review for compliance with design-related Operational Requirements (including Master Minimum Equipment List)?

Yes No

6) Applicant shall submit the documents identified in Paragraph 2.2 of Chapter B.1 to the Nepalese Civil Airworthiness Requirements in support of this application.

7) The applicant shall submit a statement detailing the basis of type design certification of the product applied by the Airworthiness Authority of the State of Manufacture, including any special conditions, and the date of application for Nepalese type design certification.

8) The applicant shall submit a statement detailing any exemptions from, or findings of equivalent safety with, the basic airworthiness design standards for the aircraft, engines and propellers as approved by the Airworthiness Authority of State of Manufacture. Documentation explaining the rationale for accepting these items should be included. Copies shall be provided for all such exemptions or findings of equivalent safety.

9) The applicant shall also submit a document detailing the proposed Nepalese basis of approval.

I declare that the details in this application are true in every respect
