

SURKHET AIRPORT

Brief Description

Surkhet Airport is situated at Birendranagar Municipality of Surkhet District, Karnali Province. It is one of the moderately busy airports of Nepal, serves most of the remote sectors of the western part of the country with whole Karnali zone by chartered flights. This airport is strategically important for the transportation of food grains, clothes, medicines, iodine-mixed salt, construction materials, office goods, school materials like books and stationeries as well as other commercial goods.
