

MANANG (HUMDE) AIRPORT

Brief Description

Manang (Humde) Airport is situated at Manang District, Province No.4. The District is still not connected with the road network and hence the airport serves as a major means of transportation. The Manang airport is situated in the world famous Annapurna round trek route and is located at highest elevation of 11092 ft among the operational airports of the country. This airport also serves as the gateway to Tilicho Lake.
